

NATIONAL FLOOD INSURANCE PROGRAM

Application Package for Filing a Map amendment or Revision Including the Elevation Certificate and Instructions

The issuance of a LOMA or LOMR-F eliminates the Federal flood insurance purchase requirement as a condition of the Federal or Federally backed financing; however, the mortgage lender retains the prerogative to require flood insurance as a condition of providing financing, regardless of the location of the structure.

To learn more about purchasing flood insurance and the options available, please visit www.FloodSmart.gov.

You may also contact a Map Specialist in the FEMA Map Assistance Center, toll free, at 1-877-FEMA-MAP (1-877-336-2627).

If you have any questions please contact Charles Corcoran, Portage County Flood Plain Administrator @ 330-297-3534 or ccorcoran@portageco.com.
