

THE TRAIL LAKE TORPEDO

Bill Gressard, Sr. designed and patented the Trail Lake Torpedo fishing lure. Family and local community members manufactured the lures by hand. The lures were a big hit at the Cleveland Sportsman Show.

RECORD HOLDING
TRAIL LAKE TORPEDO
(Pat. Pending)

476 BASS
in 1 DAY—
No Line Twist

"The hottest bait that ever hit this neck of the woods. They take anything. If the Bass won't hit the Torpedo, you might as well go home cause they won't hit anything else."
L. T. (Pappy) Stearns
Union County Implement Co., Anna, Illinois
