APPROVAL OF JULY 11, 2018 MEETING MINUTES

The July 11, 2018 minutes were presented. J. Kovacich made a motion to approve the minutes as presented. Motion seconded by J. Paulus. Motion carried with 19 Yeas.

SUBDIVISIONS

Replat of Sublots 19 – 22 in the “Hazel Hartzell Allotment No. 2” on Hartzell Road and Hazel Wood Drive, Lot 1, Deerfield Township, Amy Sligh, applicant

The applicant is requesting approval to combine four lots into one which will allow them to construct a residential home on the lot.

The owner is still working with the Health Department to obtain approval for a septic system. The applicant is requesting an extension of time until September 12, 2018.

A motion was made by R. Patrick to approve an extension of time until September 12, 2018. Motion seconded by R. Dempsey. Motion carried with 19 Yeas.

Replat of Sublots 17-AR, 17-BR, 17-Cr & 17-DR in the “Lakeview Gardens Subdivision” on Summit Road and Hodgson Drive, Lot 41 S.D. in Ravenna Township, Hasna Noui, applicant

The applicant is requesting approval to combine four sublots into 1 lot to allow them to put in a swimming pool.

The lot fronts on both Summit Road and Hodgson Drive. There were no physical limitations identified for this site.

Staff recommends approval of the replat as presented. A motion was made by R. Kotkowski. Motion seconded by J. Kovacich. Motion carried with 19 Yeas.

Replat of Blocks D-R and the Addition of the Speedway (Block Q in the “Brimfield Crossings Subdivision” on State Route 43, Lots 32 and 33 in Brimfield Township, Speedway, LLC., applicant

The applicant is requesting an extension until November 14, 2018. A motion was made by S. Bennett to approve an extension of time until November 14, 2018. Motion seconded by J. Paulus. Motion carried with 19 Yeas.

ZONING

Rootstown Township Text Amendment – Report presented by T. Peetz

Amendment No. 1

Rootstown Township is proposing to define trailers in a manner consistent with Section 4501.01.M of the Ohio Revised Code.

The last sentence of the proposed language is in addition to what is in the Ohio Revised Code. It would appear to set a minimum standard that would be consistent with the Ohio Revised Code definition and could clearly be understood by the owner of the trailer in question that trailer needs to be in an operable condition.

Staff recommends approval of the proposed amendment.

Amendment No. 2

Rootstown Township is proposing add a definition of “Inoperable Trailers/Recreational Vehicles” in a manner consistent with the Rootstown Township Zoning Resolutions existing definition of “Inoperable Motor Vehicle.”

The amendment further clarifies the intent found in the first amendment. The changes add information to make sure that there is very little subjectivity as to what an inoperable trailer or recreational vehicle is.

Staff recommends approval of the proposed amendment.

A motion was made by J. Paulus to follow staff recommendation. Motion seconded by S. Nutter. Motion carried with 19 Yeas.

EXECUTIVE COMMITTEE

Work Program

July, 2018 Work Program Report

Todd presented the July 2018 Work Program Report.

July, 2018 CDBG Report

2015 Community Development Allocation Grant

Neighborhood Facility/Community Center – Mantua Township Elevator

Installation of the elevator has been completed by Canton Elevator; however, the Township needs to have the required fire alarm/elevator monitoring devices installed and the contractor will need to complete the punch list items for the lobby. Once the work is completed, the contractor will contact the State to request the inspection.

2016 Community Development Allocation Grant

Neighborhood Facilities/Community Center (Adult Day Services)

A detailed onsite study was completed. The specifications have been completed for the RFP and the RFP has been sent out to various electrical contractors. The RFP will be due by 2:00 p.m. on August 22, 2018.

2016 Community Development Allocation Grant

An email was received today from OCD requesting minor corrections to the grant application.

Finance

July, 2018 Financial Statement

J. DiPaola stated that the Executive Committee reviewed the July, 2018 financial statements and recommends acceptance.

J. Paulus questioned why under "Computer Services" it shows \$1,200 and why we were not using the County for computer services. Todd said MAI Computing has been maintaining/servicing our computers since we moved into the building. The County only services our phones. Todd stated that once we move over to the administration building we will be switching over to the County. MAI Computing and the County will be working together to get RPC through the transition.

S. Bennett made a motion to approve the July, 2018 financial statements as presented. Motion seconded by R. Patrick. Motion carried with 19 Yeas.

OTHER BUSINESS

Commissioners Meeting

A meeting will be held with the Commissioners on August 14, 2018 to discuss the Countywide Comprehensive Plan. One of the benefits of having a Comprehensive Plan is that it can help obtain grants for the County. The other thing that will be discussed is the need for a grant writer which is not in next year's budget. The question is whether a grant writer would be under RPC or under the County. Todd stated that if the communities feel that a grant writer is in need they should contact the Commissioners and let them know.

Sale of 122, 124, 126 and 128 North Prospect Street, Ravenna

The Portage County Commissioners is out for bid. The minimum bid was set at \$299,999. Bids are due by 2:00 p.m. on September 12, 2018.

Moving RPC Office

Todd said he received 2 quotes from 2 moving companies to move our office over to the administration building. One quote was for \$2,600 and the other quote received was for \$3,200. We are anticipating moving towards the end of September on a Saturday.

The RPC meetings will be held at the Reed Memorial Library for the month of October and December.

Next Meeting

J. DiPaola announced that the next Regional Planning Commission meeting will be held on September 12, 2018 at 4:30 p.m.

ADJOURNMENT

Allan Orashan made a motion to adjourn the meeting at 5:32 p.m. Motion seconded by J. Beal.

Minutes approved at the September 12, 2018 Meeting.

July 2018 Financial Statements

E. Beeman presented and reviewed the July 2018 financial statements. S. Bennett stated she was not aware the RPC did anything related to fair housing. She would like a monthly report on fair housing activities. Todd stated most of what we handle is Landlord/Tenant issues and that statistics are kept on all calls received. There is usually a requirement that communities that receive grant funds we should target them to provide fair housing training and provide literature. J. Beal stated it seems the fair housing activity is demand driven. J. DiPaola stated by law townships are prohibited from enacting any kind of rental program where they can be tracked. S. Bennett stated the City of Ravenna just decided to have all water bills in the name of the landlord not the tenant. D. Blewitt stated it is a good idea. The Village of Windham is constantly being stiffed with water bills that tenants don't pay. Discussion held. S. Bennett stated it would be good to have a short report given on fair housing each month. A motion was made by S. Bennett to approve the July 2018 financial statements as presented and to

recommend acceptance to the full Commission, motion seconded by A. Orashan. Motion carried unanimously.

Todd reported the Portage County Commissioners will be having a budget hearing on Tuesday, August 14 with all departments. Todd stated he will attend to discuss whether or not the grant writer position will be funded. Todd stated the RPC will continue to fulfill the duties of the grant writer through the end of this year. Todd will also ask if he should budget a county Master Plan to be completed over the next 2 years.

September 12, 2018 the bids for the purchase of our building will be due at 2:00 p.m. with a close date of 60 days. S. Bennett stated renovations have started on the 6th floor. J. Beal asked if there has been a date established for the move. S. Bennett stated it will be sometime in September. Todd stated we had someone who was interested in renting 126 N Prospect for \$8.00/sq. ft. with an August 1 move in date. The news of the building sale seems to have been a factor of not getting the tenant. Todd reiterated what he has been hearing in relation to the sale of the building. A. Orashan suggested a commercial realtor be contacted if the building doesn't sell. Discussion held. A. Orashan stated there may be a market to lease the entire building if it doesn't sell.

Todd reported a homeowner by the name of Slish from Deerfield Township who wants to replat a property may attend today's full commission meeting to complain about the Health Department and Tax Map. They feel they are getting the run around.

Workers Comp rebate discussion held. Todd stated the RPC pays a high workers comp rate and we have never had a claim. S. Bennett suggested calling Michelle Crombie to discuss the issue.

There being no further business to come before the Committee a motion was made by S. Bennett to adjourn the meeting at 4:19 p.m. Seconded by J. Beal. Motion carried unanimously.

**REPLAT OF SUBLOTS 19 THRU 22 IN THE HAZEL HARTZELL ALLOTMENT
DEERFIELD TOWNSHIP**

Case No. 18-35
Reviewed By: Todd Peetz
Date Submitted: 7-11-18
Due: 8-10-18 Extended to 9/12/18

APPLICANT: Amy Slis
911 State Route 14
Deerfield, OH 44411

REQUESTED ACTION & HISTORY:

The applicant requests approval to enlarge their existing lot by merging 4 adjacent lots. The new lot will be known as 19-R. This replat will allow them to put a home and other structures. By combining the four (4) lots into their primary lot helps to satisfy health department requirements. The lot fronts on Hartzell Road.

See combined aerial of all the parcels together.

LOCATION: Vicinity Map (Exhibit 1)

The proposed lots are located in the southeast quadrant of Deerfield Township. The lot is located near the Berlin Reservoir and in relatively close proximity to SR 14.

SIZE & ZONING: (Exhibit 2)

	Minimum Required	19-R
Zoning	NA	NA
Min Acreage	NA	1.8 acre
Frontage	NA	205 Feet
Width	NA	200 Feet

LAND USE: **Site:** The parcel is vacant at this time.

Surrounding: The areas surrounding the proposed replat are residential lots. There are existing residential homes and undeveloped parcels in the area of the properties.

UTILITIES:

There is no water or sewer available to the property.

PHYSICAL LIMITATIONS TO DEVELOPMENT (Exhibit 3):

Soils: There are two soil types associated with this replat which are Mahoning Silt Loam 2 to 6 percent slopes and Ellsworth Silt Loam 6 to 12 percent slopes.

- Mahoning Silt Loam, 2 to 6 percent slope (MgB): This soil is gently sloping soil in upland areas. Slopes are generally less than 5%.
- Ellsworth Silt Loam, 6 to 12 percent slopes (EIC2): This is a sloping soil adjacent to drainage ways and on moraines. It is well drained.

Wetlands: According to the Portage County Wetland Inventory, there do not appear to be wetlands on any of these parcels.

Flood Hazard: The FEMA Flood Insurance Rate Map does not show any flood hazard areas on the site.

COMMENTS FROM OTHER DEPARTMENTS & AGENCIES:

COMPLIANCE WITH COUNTY SUBDIVISION REGULATIONS:

There is a map correction needed.

Health Department still needs additional information

COMPLIANCE WITH TOWNSHIP ZONING REGULATIONS:

Not applicable.

ANALYSIS: Primary issues for the replatted lots involve creating 1 new lot.

There were no physical limitations identified for this site.

RECOMMENDATIONS: Staff recommends approval once the plat is revised and can be approved by the Portage County Health Department. If these issues are not corrected or verified prior to the August 8th meeting, then staff would then recommend an extension of time to allow the applicant to address those concerns.

Amendments 1, 2, 3

**Section 700.13.C.2 – Monument Signs
Section 700.13.C.3 – Monument Signs
Section 700.13.C.5 – Directional Signs**

Rationale: Brimfield Township would like to clarify the sign requirements mostly dealing with height and size.

Type of Sign	Size of Sign	Additional Requirements
2. Monument sign to identify a non-residential use (public, (institutional, recreational, commercial, industrial etc.) establishment.	1. Sign face shall not exceed six (6) thirty-two (32) square feet. 2. Overall height shall be no greater than four (4) six (6) feet.	1. One (1) sign per premise parcel . 2. The sign shall be located on the street side of the building.
3. Monument signs to identify a residential subdivision development, condominium, multi-family housing complex, shopping center, or industrial park .	1. Sign face shall not exceed thirty-two (32) square feet. 2. Overall height shall be no greater than six (6) feet.	1. One (1) sign per street frontage main access 2. Placed at entranceway only 3. Signs may be externally illuminated.
5. Directory signs for all non-residential uses.	1. Total sign face shall not exceed thirty-two (32) six (6) square feet. 2. Overall height shall be no greater than three (3) feet.	1. One entrance/exit per access drive 2. Signs may be internally or externally illuminated.

Staff Comments: The proposed language allows for monuments signs to be larger, but decreases the directional sign and also limits one sign for the main access not two signs for corner lots. Increasing the monument sign and decreasing the directional sign makes sense.

Staff Recommendations: Staff would recommend approval.

Amendment 4
Section 510.10 Swimming Pools

A. Private Family Swimming Pools

A private swimming pool, shall be permitted in any residential district or commercial district as an accessory use in accordance with the following requirements:

1. The pool is intended for the sole enjoyment of the occupants of the property on which it is located and their guests.
2. The pool may be located anywhere on the property except in the required front yard and no closer than fifteen (15) feet to any property line or easement.
3. The swimming pool, or the entire property upon which it is located, shall be secured by a screen or glass enclosure, wall, fence or similar construction in such a manner as to prevent uncontrolled access, especially by children. The method used to secure the pool shall not be less than four (4) feet in height and shall be maintained in good condition with a gate and a self-latching lock. (1/6/2016) (#2016-040)
4. Portable swimming pools with a diameter of less than twelve (12) feet or with an area of less than one-hundred (100) square feet and not more than two and one-half (2-1/2) feet deep are exempt from the requirements of this section.

5. A Zoning Certificate is required for all pools except those exempt in this Section, 510.10 A 4.

Staff Comment: This is a straight forward requirement with the intent to ensure public safety.

Staff Recommendation: Approve as submitted.

AMENDMENT 1

Proposed New Definition (Section 150.02 B):

CULTIVATING AND PROCESSING MEDICAL MARIJUANA: Growing, harvesting, drying, storing, transporting, processing, selling, and reasonable ancillary related thereto, of medical marijuana in accordance with Ohio Revised Code 3796 and corresponding regulations, and only pursuant to an appropriate license issued by the State of Ohio.

Section 370.03 E Proposed (shown in bold):

	L-I Light Industrial/ Business Park District	G-I General Industrial District
E. Manufacturing and processing		
1. Dry cleaning plant	P	P
2. Extracting operations		C
3. General assembly	P	P
4. Machine shops	P	P
5. Light manufacturing, assembly of previous manufactured supplies	P	P
6. Manufacturing of products from raw materials		C
7. Cultivation and processing medical marijuana	C	C

Staff Comments: They are adding for consistency Cultivation and processing of medical marijuana as a specific type of manufacturing and to clearly delineate this type of use from other uses that may be similar. By designating it as a conditional use will give the Board of Zoning Appeals the opportunity to review marijuana cultivation and processing applications. There are standards already established for this type of use in the ORC and in the Rootstown's regulations.

Staff Recommendation: Approve as submitted

AMENDMENT 3
Outdoor Storage Yard

Section 504.11 Outdoor Storage Yards

Outdoor storage must be located in the side or rear yard and provide complete screening from adjoining properties by a solid fence or wall and vegetative landscaping in accordance with the applicable sections of Chapter 8. FENCE, WALL AND OR HEDGE shall be a minimum of six (6) feet to a maximum height of eight (8) feet in height and compatible with the principal building. No materials shall be stored so as to project above the fence or wall. There is no maximum size requirement for a storage yard.

Section 505.09 Outdoor Storage Yards

Outdoor storage must be located in the side or rear yard and provide complete screening from adjoining properties by a solid fence or wall and vegetative landscaping in accordance with the applicable sections of Chapter 8. FENCE, WALL AND OR HEDGE shall be a minimum of six (6) feet to a maximum height of eight (8) feet in height and compatible with the principal building. No materials shall be stored so as to project above the fence or wall. There is no maximum size requirement for a storage yard.

Staff Comment: The proposed amendment requires outside storage yards to have a fence, wall or hedge between 6' and 8' and everything being stored cannot project above the fence, wall or hedge.

Staff Recommendation: Approve as submitted.

AMENDMENT 4

k. Mini/self-storage facilities, subject to Chapter 7 and Subsection 700.10.B.50.

Staff Comment: This is directing the user to go to Chapter 7 and learn about the requirements associated with this conditional use.

Staff Recommendation: Approve as submitted.

AMENDMENT 5

Flag-lots

Section 700.10(B)43

43. Flag Shaped Lots

- A. The flag portion of the lot ~~must~~ shall comply with the zoning district's minimum acreage requirements and all setback requirements (see Figure 700.10.B.43).
- B. Lot ~~must shall have~~ BE A MINIMUM OF SIXTY (60) FEET OF CONTINUOUS FRONTAGE AND be of sufficient area to accommodate a residential dwelling, commercial structure or industrial structure and meet all of the district's setback requirements. and This portion of the lot shall equal or exceed the minimum lot width requirement of THE that-zoning district.
- C. Lot ~~may~~ shall not become narrower than sixty (60) feet at any point.
- D. The pole portion of the lot cannot exceed an overall length of nine-hundred (900) feet from the road right-of-way (see Figure 700.10.B.43). The minimum width of the pole portion shall be no less than SIXTY (60) twenty (20) feet at any point including road frontage.
- E. The access-way or pole portion of the lot ~~must~~ shall be free of structures and accessory buildings.
- F. Flag potion of the lot ~~must shall~~ widen to a distance, which is equal to or greater than the zoning district's minimum lot width requirement.
- G. The flag section of the lot shall be considered the building section. The front yard setback for the dwelling must be equal to or greater than the required setback of

the district and is to be measured from the point where the lot widens to equal the district's minimum lot width requirement.

- ~~H. A dwelling unit proposed for the lot shall not be located directly behind another dwelling, unless the owner of that residence is the applicant, or the owner of the established residence has no objections as evidenced by a notarized affidavit filed with the application.~~
- ~~J. The proposed dwelling for the lot shall be screened from the view of adjacent dwelling with a vegetative landscaping screen.~~
- K. The fire chief shall provide a letter that states that fire apparatus and emergency vehicles can have safe access to the flag portion of the lot and that access can SHALL be reasonably constructed and maintained.
- ~~L. Sharing driveways with the adjoining lot owner is encouraged. Where driveways will be shared, a maintenance agreement shall be filed with the application for Conditional Zoning Certificate and if the application is approved, said agreement shall also be filed with the deed in the Office of the County Recorder.~~

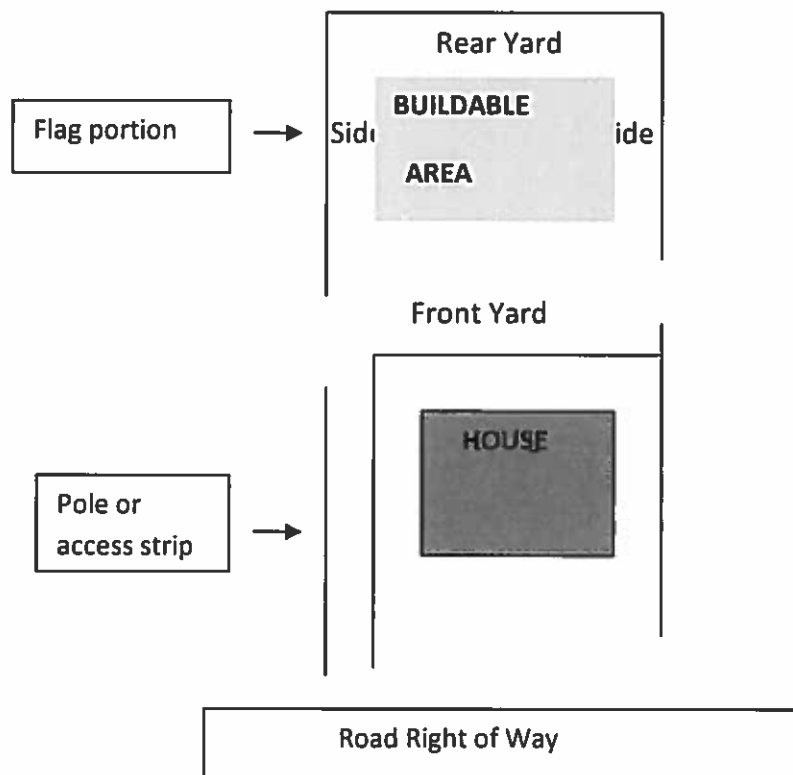

Figure 700.10.B.43

Staff Comments: In B and D of the proposed changes the frontage was being recommended to be deleted (in B) and in D allowing the lot at the flag to be as narrow as 20 feet. We would recommend that the road frontage remain at sixty (60) feet and the stem also remain at sixty (60) feet which is consistent with subdivision regulations and minimum requirements for a road right-of-way.

Staff Recommendation: Approve with suggested modifications to B and D, keeping the sixty (60) feet of road frontage and stem width.

AMENDMENT 6

Dog Kennels as a Conditional Use

700.10(B)61. Dog Kennels

- A. Only indoor kennels are permitted. Outdoor kennels are prohibited.
- B. This section covers kennels used for breeding and/or boarding.
- C. Minimum Lot Area: Ten (10) acres, exclusive of road right-of-way.
- D. Minimum Lot Frontage on a Street: Five Hundred (500) feet.
- E. All buildings, pens and runways for the housing or keeping of such animals shall not be less than One Hundred Fifty (150) feet from any adjacent property line.
- F. All buildings, pens and runways for the housing or keeping of such animals shall not be less than One Hundred Fifty (150) from the principal structure of the same lot.
- G. All Buildings shall be located behind the principal structure of the same lot.
- H. All outdoor runs shall be closed between the hours of 11:00 pm and 7:00 am. All animals shall be housed inside the kennel building during these hours.
- I. All outdoor runs shall be separated by an eight (8) foot wall so an animal in one outdoor run does not see the animal in the adjacent run. The purpose of which is to reduce the tendency of animals to bark or fight with animals if of the adjacent run.

- J. All outdoor runs shall be fenced with woven wire or other approved fence material. Said fence shall not be less than eight (8) feet in height and shall be maintained in good condition.
- K. Outdoor runs shall be screened from view of adjacent property lines and the road by landscaping per Section 1100.10.A.2 Perimeter/Buffer Landscaping and Screening.
- L. The disposal of waste shall be in compliance with County and State Laws. No such waste shall be detectable by odor or visually seen from any adjoining lot of record. Proper measures shall be taken to ensure such waste does not affect any well water of adjoining lots of record and any surface water (i.e. streams, ponds, lakes, drainage channels, etc.).
- M. Kennel owner shall obtain all required County and State Permits.
- N. Kennel owner shall obtain a Zoning Certificate.

Staff Comments: This was well put together and covered virtually everything related to operating a kennel while protecting the public's interest.

Staff Recommendation: Approve as Submitted.

**PORTAGE COUNTY REGIONAL PLANNING COMMISSION
WORK PROGRAM REPORT
August 2018**

A. COMPREHENSIVE PLANNING

1. Farmland Preservation Plan Update

Ohio Humanities	September 2018	As a part of its current initiative, Standing Together: The Humanities and the Experience of War, the National Endowment for the Humanities offers a new grant opportunity: the Dialogues on the Experience of War program. The program supports the study and discussion of important humanities sources about war, in the belief that these sources can help U.S. military veterans and others to think more deeply about the issues raised by war and military service. The humanities sources can be drawn from history, philosophy, literature, and film—and they may and should be supplemented by testimonials from those who have served. The discussions are intended to promote serious exploration of important questions about the nature of duty, heroism, suffering, loyalty, and patriotism. The discussion groups can take place on college and university campuses, in veterans' centers, at public libraries and museums, and at other community venues. Most of the participants in the discussion groups should be military veterans; others, such as men and women in active service, military families, and interested members of the public, may participate as well. 2015 COMMUNITY DEVELOPMENT ALLOCATION GRANT - \$304,000 - (September 1, 2015 – October 31, 2017)

Neighborhood Facility/Community Center – Mantua Township Elevator – \$75,000

The Mantua Restoration Society, Inc. mission is to seek and develop funding to preserve historic buildings and sites in order for them to be vibrant, integral parts of Township government and civic life.

The 2-1/2 story building located at 11741 Mantua Center Road (formerly the Mantua Center School) was constructed in 1914 and was recently placed on the National Register of Historic Places. The building is currently being occupied by the Township Zoning Inspector and the Fiscal Officer. The annex portion (former gym/cafeteria) of the building is rented out almost every night to agencies/organizations.

At this time, persons who rely on wheelchairs to get around are only able to access the annex portion of the building. Funds are being requested to remove the barriers that exist for elderly and handicapped individuals that prevent them from entering the Mantua Township Administration and the Community Building's main building. In an effort to remove the barriers to the elderly and handicapped individuals in the Mantua Township Community, funds will be used to place an elevator in the building, which would provide access to all floors. By removing the barriers to all of the levels of the historic building the entire community can use it and it would be more attractive too for profit and non-profit entities that are looking for a place to set up their business.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$130,000. Mantua Township Trustees, Mantua Restoration Society, Inc. has agreed to leverage \$55,000 of their funds to complete the project.

The Installation of the elevator has been completed by Canton Elevator; however, the Township needs to have the required fire alarm/elevator monitoring devices installed. The permit for the fire alarm/monitoring devices was issued on August 27, 2018.

The general contractor will contact the State to request the inspection once the installation of the required fire alarm/elevator monitoring devices has been completed.

Neighborhood Facility/Community Center – Franklin Township Hall ADA - \$35,000

Franklin Township took ownership of the building (formerly the Franklin Silk Company) located at 218 Gougler Avenue, Kent in 1840. The building has been the site of the township government since that time. The building was placed on the National Register of Historic Places in 1975.

The meeting room is nearly the entire second floor of the building and is accessible only by a spiral staircase or the fire escape on the outside of the building. Unfortunately, this makes the meeting room inaccessible to the elderly or handicapped. For this reason, meetings are held in a small conference room downstairs that only holds about 20 chairs for citizens or interested parties. This is rarely enough and people must stand in the hallway outside of the room and try to hear what is going on in the meeting.

The Zoning Commission, the Board of Zoning Appeals as well as the Board of Trustees meet for major concerns several times each month. Although the building is located in the City of Kent, the meetings are attended by the residents who live in Franklin Township. The Zoning Commission, Board of Zoning Appeals and Trustees meetings all have a large audience of interested senior citizens that are interested in the township happenings and many cannot attend because there is not enough room.

In an effort to remove the barriers to the elderly and handicapped individuals, funds will be used to place a lift type of elevator in the downstairs corner by the parking lot in order to not disturb the historical status of the building.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$73,000. Franklin Township Trustees has agreed to leverage \$38,000 of their funds to complete the project.
WORK COMPLETED

Historic Preservation/Phoenix II Roof Replacement - \$44,200

The second phase (111 & 113 East Main Street) of the Phoenix Building is estimated to cost 1.3 million dollars. Interior work including the construction of six new apartments on two floors cannot move forward until the 6,000 square foot roof has been replaced. The roof has been found to be structurally unsound. Some temporary patches have been applied to address major leaks, but are not expected to hold for long. Even with treatment, water filtration is affecting the interior spaces.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$133,963. Coleman Professional Services has agreed to leverage \$89,963 of their funds to complete the project.
WORK COMPLETED

Parks and Recreation Facilities/McElrath Neighborhood Ballfield - \$39,000

The McElrath Improvement Corporation (MIC) has been in existence for over 40 years with the mission to improve the living conditions and to expand economic opportunities in the McElrath Community. Over the years MIC has been involved with countless projects and activities to assist McElrath residents and improve the neighborhood image.

In 2002-2003, with assistance of the Portage County Commissioners, Leadership Portage County, Community Action Council, the Baseball Tomorrow Fund and others MIC was able to build neighborhood baseball fields for use by all residents on property located at 3770 Richardson Street owned by or donated by to MIC for such uses. Since that time using

volunteers and community organizations, MIC has struggled to maintain the concession stands and baseball fields so that they can be utilized to the maximum capacity.

All funding is generated by small fundraisers, revenues from concession stand sales and donations from the community.

Funding is requested to make needed repairs to the concession stands and restrooms and to repair the actual baseball fields through the purchase of screened top soil.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$39,000. **WORK COMPLETED**

Parking Facilities/Garrettsville Parking Lot - \$50,000

A fire in the historical, commercial district of the Village of Garrettsville destroyed an entire block of buildings on March 22, 2014. The fire has left the entire block in rubble creating a blight to the area. Thirteen businesses were displaced by the fire and more than 15 other businesses in the Village are believed to have been harmed from the decrease in customer traffic.

Funds are being requested to remove and pave the existing parking lot and to create an entrance to the parking lot located parallel to Main Street in the historic, commercial district in the Village of Garrettsville in order to eliminate a blight to the area to benefit 1,410 persons.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$156,688. The Village of Garrettsville has agreed to leverage \$109,688 of their own funds to complete the project.

WORK COMPLETED

Fair Housing - \$7,000

Fair housing services including landlord/tenant information, discrimination complaints, training, posters and brochures will be provided for the residents of Portage County, excluding the City of Kent. **WORK COMPLETED**

Administration and Implementation of the CDBG Grant - \$53,800

Administration and Implementation of the grant includes grant preparation, project management and bidding, completion of reports and day-to-day oversight of the projects.

2016 COMMUNITY DEVELOPMENT ALLOCATION GRANT - \$330,000 - (September 1, 2016 – October 31, 2018)

Neighborhood Facilities/Community Center (Windham Community Center) - \$121,400

The Windham Village Community Center is in need of repairs. The following repairs are proposed:

- Replace the existing failing asphalt roof with a new metal roof system.
- Replace the gutter and downspouts.
- Paint the exterior and replace the existing siding.
- Add 3 new ADA compliant exterior decks for ingress and egress.
- Add new security lighting.

The Community Center is located at 9647 East Center Street and is in an area considered to be 65% Low-Moderate Income.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$121,400. **WORK COMPLETED**

Neighborhood Facilities/Community Center (Mantua Center School) - \$36,800

Phase 1 consisted of the purchase and installation of an elevator to remove the barriers to elderly and handicapped individuals using the Mantua Township Administration and Community Building (former Mantua Center School). At this time persons who rely on wheelchairs to get around are only able to access the annex portion of the building.

Phase 2 will construct a slightly inclined walkway that leads from the handicapped accessible parking spots to the elevator as well as an entrance lobby to the elevator. One edge of the walkway will abut the building and other will abut a brick retaining wall. Without the walkway to the elevator, elderly and handicapped individuals will be prevented from entering the Mantua Township Administration and Community Building's main building. The entrance lobby will serve to keep people out of the elements as they are entering or leaving the elevator.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$36,800. **WORK COMPLETED**

Neighborhood Facilities/Community Center (Coleman Adult Day Services) - \$26,700

Coleman Adult Day Services has high lighting needs. This helps to ensure safety at the facility, including minimizing the risk of falls for older clients with failing eyesight. Nurses need to be able to read instructions on medication and make careful observations of clients.

CDBG funds will be used to replace 215 lights of 21 different types located throughout the building, exterior walkways and parking. The Adult Day Services is located at 6695 North Chestnut Street in the City of Ravenna. Replacement of both incandescent and fluorescent lighting with LED lighting can greatly reduce both electricity bills and a buildings carbon footprint.

The request would serve a population comprised of approximately 130 adults with physical, cognitive or development disabilities and their care givers annually.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$26,735.

Two RFP's were received on August 22, 2018 however the bids are being rejected due to the method of bidding used. The State has indicated that the project must be bid out using the Small Purchase Procurement Method. The project will go back out to bid by the end of September.

Public Facilities - \$63,100 + the City of Ravenna will contribute \$6,816

CDBG funds will be used to provide ADA handicap accessibility in LMI residential areas by installing and upgrading 45 curb ramps and 2073 linear feet of sidewalk to ADA Standards along Highland Avenue to Central Avenue as well as along Prospect Street to Summit Street in the City of Ravenna.

The project is located in Census Tract 6008, Block Group 3 which is considered to be 54% LMI and will benefit 34 persons.

The total cost based on Davis Bacon Prevailing Wages is estimated at \$69,916. The City of Ravenna will contribute \$6,816. **WORK COMPLETED**

Fair Housing - \$7,000

Fair housing services including landlord/tenant information, discrimination complaints, training, posters and brochures will be provided for the residents of Portage County, excluding the City of Kent.

There were 5 requests for assistance received in July.

Administration - \$55,000

Administration and Implementation of the grant includes grant preparation, project management and bidding, completion of reports and day-to-day oversight of the projects.

2018 COMMUNITY DEVELOPMENT ALLOCATION GRANT - \$486,000 (September 1, 2018 – October 31, 2020) – **Application Pending**

The following projects to be submitted to the State:

#	Agency/Organization			Grant Request	Other Funds	Project

7	<i>Administration</i>		\$87,200	0	
TOTAL			\$486,800	\$11,072	

OCD requested some minor changes to the application. The corrections have been made and the application was resubmitted back to OCD for review.

2018 CDBG CRITICAL INFRASTRUCTURE GRANT (RAVENNA CITY) - \$500,000 – (Application not funded.) An in person technical meeting will be held with the State. Next round of application will be due by November 16, 2018.

Flood and Drainage Facilities - \$68,400 (CDBG)

It is anticipated that 1,750 LF of curb will be replaced, 6 catch basin and 3 manholes replaced along Vine and Gill Street in the City of Ravenna.

Water Facility Improvements - \$369,500 (CDBG) + \$30,000 (Ravenna City)

The waterlines along Vine and Gill Street have experienced 14 breaks in the last 25 years. These breaks are mostly due to corrosion of the cast iron with which the lines were constructed. It is anticipated that 1,550 LF of waterlines will be replaced. The 1 fire hydrant is insufficient for fire protection and the low pressure is likely due to the corrosion. One fire hydrant will be removed and 3 fire hydrants will be installed.

Sidewalk Improvements - \$18,800 (CDBG)

There are numerous deteriorated and uneven sidewalk sections along Vine and Gill Street that exceed the threshold for ADA accessibility. Two of the curb ramps do not meet ADA accessible guidelines and need upgrading. It is anticipated that 575 LF of 4" sidewalk and 150 LF of 6" sidewalk will be replaced.

Street Improvements - \$13,300 (CDBG) + \$48,800 (Ravenna City Paving Funds)

The roadways were last resurfaced in 2006 and thus have met their 12 year anticipated lifespan. It is anticipated that 882 LF of asphalt resurfacing will be done on Vine Street and 622 LF of chip and seal resurfacing will be done on Gill Street.

Administration - \$30,000

Administration and Implementation of the grant includes grant preparation, project management and bidding, completion of reports and day-to-day oversight of the projects.

2017 CDBG CRITICAL INFRASTRUCTURE GRANT (WINDHAM VILLAGE) - \$285,700 (Application Funded)

Sidewalk Improvements - \$30,500 (CDBG)

It is anticipated that 752 LF of sidewalks will be replaced and 3 ADA ramps will be replaced and spot curb repairs will be completed, which provide ADA access along Bauer Avenue.

Street Improvements - \$124,600 (CDBG) + \$30,000 (Windham Village)

It is anticipated that 752 LF of roadway base will be rebuilt up to the subgrade and the roadway rebuilt with 6" of stone and 6" of asphalt.

Water Facility Improvements - \$110,600 (CDBG)

Approximately 752 LF of waterline will be replaced including service and fire hydrants along Bauer Avenue.

Administration - \$20,000

Administration and Implementation of the grant includes grant preparation, project management and bidding, completion of reports and day-to-day oversight of the projects.
