

SLOW THE SPREAD

The Ohio Department of Health recommends wearing a cloth face covering (mask) in public to help slow the spread of COVID-19.

Cloth face masks help to stop the spread of your germs.

Wearing a face mask does not mean you don't have to social distance.

Recommended cloth face masks are not surgical or N95 masks.

Learn how to make your own cloth face mask at www.youtube.com/watch?v=tPx1yqvJgf4
