March 19, 2020

The Portage County Board of Elections would like to extend its gratitude to the staff, precinct election officials (PEO), polling locations, and everyone who stood ready to perform the myriad of election related duties for our originally scheduled March 17, 2020, Primary Election. A special thank you to all those who wanted to participate as a PEO, but wisely chose to remain at home for your own protection and safety. We know how conflicted you were when making this choice. It was truly amazing to witness the outpouring of participation, cooperation and support throughout the last several days. Everyone has been kind, cordial, and professional.

And to the entire electorate of Portage County, we commend your patience and understanding. Our shared citizenship and resilient patriotism will sustain us as we, at the Board of Elections, continue to work with the Ohio Secretary of State to uphold and safeguard your right to cast a ballot in this 2020 Primary Election. We recommend that you refer to the Ohio Secretary of State's website, www.ohiosos.gov, or to the Portage County Board of Elections website, www.co.portage.oh.us/board-elections, for the most up to date information. The phone number for the Portage County Board of Elections is (330) 297-3511.

Thank you again from each of us.

The Members of the Portage County Board of Elections,

Denise Smith
Chair
