**ITEM 1100 - AUTHORITY UNDER WHICH THESE RULES ARE ESTABLISHED – WATER – EXCERPTS FROM THE OHIO REVISED CODE**

**Section 1100.01 Power Of Board Of County Commissioners, Section 6103.02**

The Board may make, publish and enforce rules and regulations for the construction, maintenance, protection and use of public water supplies in the County outside of municipal corporations and of public water supplies within municipal corporations in its County wherever such water supplies are constructed or operated by such Board or are supplied with water from water supplies constructed or operated by such Board, including the establishment of connections.

Such rules and regulations shall not be inconsistent with the laws of the State or the Rules And Regulations of the Department Of Health. No public water supplies or water pipes or mains shall be constructed in any County outside of municipal corporations by any person, firm or corporation, except for the purpose of supplying water to such municipal corporation, until the plans and specifications of the same have been approved by the Board. Any such construction shall be done under the supervision of the Sanitary Engineer. Any person, firm or corporation proposing or constructing such improvement shall pay to the County all expenses incurred by the Board in connection therewith.

The Sanitary Engineer may enter upon any public or private property for the purpose of making surveys and examinations necessary for the design or examination of public water supplies and may make such surveys and examinations. No person, firm or corporation shall forbid or interfere with the Sanitary Engineer or his authorized assistant entering upon such property for such purpose or making such surveys or examinations (Section 6103.02, Ohio Revised Code).

**Section 1100.02 Prohibitions, Section 6103.29**

No person shall tamper with or damage any water supply or water main constructed under Sections 6103.02 to 6103.30, inclusive, of the Revised Code or any apparatus or accessory connected therewith or pertaining thereto. No person shall make any connection with such water supply or water main without permission of the Board Of County Commissioners or make any such connection in a manner or for a use other than as prescribed by such Board. No person shall refuse to permit the inspection by the Sanitary Engineer of any such connection or willfully cause the pollution of any water supply (Section 6103.29, Ohio Revised Code).
